and that would be virtually decissive. The only appeal allowed is to a court therefore assured to be Republican in almost every instance throughout the United States. What does the ence of the 51st Congress teach

Chief of the G. A. R. has deserted the Republican party. His change of heart, he declares, is brought about by a recent deeper study of the situation than he had ever given before. Of his change of heart Judge Rea said to-night: There was so much talk in Grand samples and publish the prices of Army circles on the subject of these various lines of goods affected by pension vetoes that I determined the McKinley act, showing how to look it up for myself. I did so prices are higher now than they thoroughly, and the result is that were before that act was passed. will show what I think of it by The samples and figures show also

his upright and manly course. who will support him.

wrong track both in State matters of these goods reduced here as fast ial district. They would then and in the Nation, and must be as they are reduced abroad. This run the line which was to divide brought to a realizing sense of its follows from the fact that the ob- that district into precincts into the position by a thrashing that will ject of Mr. McKinley, as he himself town of Blaine, thus giving the corteach it a lesson. This thrashing said, was to keep up prices or to ners of four voting precincts in the I hope the party will correct and tariff bill in the House he used voting places of those four precincts purify itself and make itself worthy these words: "Your committee were to be placed at Blaine. The

of claims. That is, it claims every ty against that increasing competition in sight. Not only is this tition from other countries. We by a providential interference which true as to the coming election, but have not believed that our people, made it possible for a Democrat to their speakers claim the credit for already suffering from low prices, preside over the session of the Counevery blessing the Almighty has can or will be satisfied with legis- ty Court that was required to desigpoured out upon this country, and lation which will result in lower nate the precincts and voting places every improvement and develop prices."
